<p>SC Assembly- SC Representatives were supposed to lead the Phase assemblies on Monday 5th March but it was cancelled due to school closure. It was about International Women’s Day so we asked reps to do it in class. Next half term, there are less phase assemblies for the term due to bank holidays and SATs so there is no SC assembly.</p> <p>SC Action Plan- SC Reps to help at HT Assemblies to give out awards</p> <p>Playground Changes- SC reps to ask children</p> <p>Reflection- review SC Reps to assist in Reflection</p> <p>Awards Box – review monitoring the awards (year 3 reps),</p> <p>News Letter- feedback from classes regarding the changes to the Newsletter.</p> <p>Family Learning- discuss ideas for the Spring 2 Family Learning</p> <p>Display for School Council-show children where it will be and discuss what should be on the display. What should the title be? (Pupil Voice at KG, School Council Reps, other ideas?)</p> <p>AOB – Toilets upstairs- Girls and Boys taps are not working and the toilets don’t flush properly. Girl’s toilets in the dining hall don’t have locks.</p> <p>Main Playground (years 2-4)-Where should children put their coats at playtime? There were some safety concerns regarding the new trim trail.</p> <p>Paxton-Suggestion of having “fake grass” instead of stones because there is a problem with fox pooh. Children want basketball hoops. Suggestion of having body warmers included in the uniform for Spring Term. Fundraising Suggestions- reps want to ask classes for ideas.</p>	<p>Ms Ndisang to remind SC reps of the schedule</p> <p>Ms Ndisang will discuss this with Mr Clark and Miss Magee.</p> <p>SC reps to ask their classes about their thoughts on the changes.</p> <p>Ms Ndisang to organise a timetable and children to attend to help next week. The girls had concerns about where to collate the awards. The main hall is very busy so it was decided they would try using the space next to the post box. The Newsletter will be on display in the year 2-4 playground display cabinet as well as in the office.</p> <p>Relate it to our value for this half term- ambition. Family Learning to be handed out by the SC Reps. Ms Ndisang asked the children to think about what should go on the display. Mr Moore is ordering the display board.</p> <p>Ms Ndisang will speak to Mr Moore</p> <p>Reps to ask their classes for ideas.</p> <p>Ms Ndisang will pass this information to Mrs Barrett.
