

Y1 Amber – Yenique Coral – Alena Apricot – Fawziyah(absent)	Y2 Ochre –Elliott M Cinnamon – Charlotte Saffron – Alex	Y3 Mint – Gracie Jade –Oscar(absent) Emerald - Bilen
Y4 Cobalt – Pearl Azure - Kirin Turquoise – Lila	Y5 Lavender – Laura Indigo – Chanelle Violet – Leah Gold Stars – Tivalli (absent)	Y6 Copper – Amanda (absent) Brass – Rahima (absent) Bronze – Gideon (absent)

Use of electricity:

classes to now have 2 monitors called 'Bright Sparks' who are responsible for turning off the lights and IWB when leaving the classroom. PLEASE CAN YOU CHOOSE 2 CHILDREN FOR THIS ROLE. Turquoise, Emerald, Saffron and Coral have this in place.

School Dinners

VL to invite James from Chartwells to attend a future meeting to talk about the taste process and ask about Palm Oil and Rapeseed Oil. Children raised that the Christmas dinner wasn't that different to a roast dinner. They missed the fun of Christmas crackers but we also discussed the effect these have on the environment. The issue of plastic cutlery was raised. They are also keen to find out about plastic waste in the kitchen and how food waste is disposed of. Year 4 would like to lead on school dinners.

Playground markings

We looked at the designs different classes had done. Children chose their favourite designs and we also looked the most popular, frequent designs.

Most popular designs:

- Racing tracks
- Snakes and ladders
- Hopscotch
- Maze
- Noughts and crosses

There was a discussion about having zones or different themed areas in the playground:

- Rainbows
- Space
- Garden
- Jungle
- Underwater

They would also like a big Kelvin Grove dove on the ground as you come in through the gates.

Clean air monitors

We took the clean air monitors down. They are on their way back to Friends of the Earth for the results to be analysed. Year 6 were previously keen on doing an assembly on clean air. At the next meeting I will give them a pack of info to use for this.

WE Day

We discussed who inspired you, what did they say, what change do you do you want to happen now? Please allow time for your children to talk about his. You can watch the speeches and see who was at the WE day here:
