

Year Group reps

Y1 Amber – Yenique Coral – Alena Apricot – Fawziyah (absent)	Y2 Ochre –Elliott M Cinnamon – Charlotte Saffron – Alex	Y3 Mint – Gracie Jade –Oscar (absent) Emerald - Bilen
Y4 Cobalt – Pearl Azure - Kirin Turquoise – Lila	Y5 Lavender – Laura Indigo – Chanelle Violet – Leah Tivali (absent)	Y6 Copper – Amanda Brass – Rahima (absent) Bronze – Gideon

Bright sparks

- Please allow your school council to choose 2 children to be responsible for turning off the lights and projector in the classroom when you leave the room.

Clean air

- Y6 children to plan an assembly about improving the air quality around the school. I have given them an assembly resource pack to use.

Playground – Alex from PTA

- Over the Easter holidays the picnic tables will be removed and a stage and dressing up pod/area will be installed. A playhouse will be installed in the Y1 playground.
- Al has collected old tyres to be painted and transformed into planters to go around the playground.
- PTA will run a drop in session after school to make a handprint tile to decorate walls around the school.
- Artist to visit to share her vision. School council are keen for her to use recycled materials.
- School council requested that the bamboo is improved.
- School council suggested using sunflowers to plant along the new fence.

School Dinners – Ms Deadman

- Mrs Deadman has liaised with Mick the chef and the contract manager and raised points made previously by the school council. VL to arrange for nutritionist from Chartwells to visit.
- Packed lunches for trips. School council were negative about the current packed lunches: no choice; cheese is disgusting; I don't like apples; I felt ill the next day. Mrs Deadman has shared that there are options for packed lunches: cheese, ham, chicken, tuna mayo sandwiches on white, brown, baguette; choice of fruit (apples are currently chosen as they don't need peeling and don't get squashed); juice or water; cake or biscuit.
- Plastic cutlery should no longer be in use as enough new metal cutlery has been purchased. If plastic cutlery is used it is recyclable and should be disposed of accordingly.
- Y4 to gather feedback from children about lunches – positive and negative with reasons why. They have been given a pen and notebook for this.
- Food waste is not currently collected.

AOB

- Children mentioned that there were several new children who don't speak English as a first language and they want to help them find their voice.
