Dear Parents,

RE: Year 1 Trip, Centre for Wildlife and Gardening

To celebrate our 'Growing' topic, Year 1 will visit a centre for Wildlife and Gardening.

- Coral Class will visit on Tuesday 26th March 2019
- Amber Class will visit on Thursday 28th March 2019
- Apricot Class will visit on Tuesday 2nd April 2019

The children will have the opportunity to take part in an educational workshop on habitats and plants. This will involve them exploring the garden and seeing what animals live in the different habitats and what role plants play in that. They will also discover the different kinds of plants in the garden and their distinguishing features.

As we will be outside for the duration of the visit, please make sure that your child brings a warm, waterproof coat, hat, and gloves if it is cold. Children should wear the shoes that they normally wear to school, provided they are sturdy and comfortable. If it has been wet, the garden will be muddy so you may like your child to wear shoes that you do not mind them getting dirty.

We will be taking the 176 bus to the wildlife centre. We will leave school at 9.30am and expect to return at 13.00pm. Children will eat their lunch at the centre, so please make sure they bring a packed lunch with them or request a school packed lunch on the slip below.

The trip costs £4.00 per child and payment should be paid via SIMS Agora/TRIPS. Please contact the school office if you are experiencing problems with your SIMS Agora account.

Please complete and return the slip below by Wednesday 25th February 2019.

Thank you

The Year 1 Team

Y1 TRIP –Centre for Wildlife and Gardening

- I give permission for my child to attend the trip
- My child requires a school packed lunch
- I am able to help as a parent helper for the trip

(please tick as appropriate).
