Dear Parent(s) and Carer(s),

Year 2 – Immersive Experience Planetarium

This term, Year 2 are excited to team up with Year 5 who are learning all about Space and our Solar System. As we already learned so much during our 'Out of This World' topic, we thought it would be a great opportunity to share what we know and celebrate our work with an Immersive Experience Planetarium show on **Thursday 4th July**.

The Planetarium is a large dome that will be set up in the Main Hall at school. The children will participate in an exciting astronomer-led live show about the Sun, Earth and Moon. This will be followed by a 3D tour of the Solar System and the International Space Station, as well as a 360° film in the Planetarium dome.

As the sessions are based in school, all timings and lunches will remain the same.

The cost for this session is £4.00, which is to be paid before the day of show. Please make your payment online using SIMS Pay / TRIPS as soon as possible.

Thank you for your support,
The Year 2 Team
