Dear Parent(s) and Carer(s),

Year 5 – Immersive Experience Planetarium

Our topic this term, 'Beyond the Darkness', is all about Space and our Solar System. To build on our learning in class, we will have an Immersive Experience Planetarium show on **Thursday 4th July**.

The Planetarium is a large dome that will be set up in the Main Hall at school. The children will participate in an exciting astronomer-led live show about the Sun, Earth and Moon. This will be followed by a 3D tour of the Solar System and the International Space Station, as well as a 360° film in the Planetarium dome.

As the sessions are based in school, all timings and lunches will remain the same.

The cost for this session is £4.00, which is to be paid before the day of show. Please make your payment online using SIMS Pay / TRIPS as soon as possible.

Thank you,

Miss Pais, Mrs. Cooper and Miss Simmons-Bah

Headteacher: Ian Hyde
Deputy Headteachers: Tara Magee and Kris Clark
