Dear Parents/carers,

Please read this important letter from the PTA about match-funding schemes.

## Match Funding - Help Raise Much Needed Funds for Kelvin Grove via Your Employer

Can you help increase funding to our school through your company match funding scheme?

There is a fantastic scheme available whereby employers provide funding for organisations such as school Parent-Teacher Associations (PTA) through their employees. It is a very simple yet immensely useful tool from which extra funding can be raised for our school. This can help us to match funds for the annual events we organise, like the Christmas and Summer Fairs.

Below is a list of companies (by no means exhaustive!) that we understand currently match gifts donated by employees. If your employer is not listed, please contact your Human Resources department to find out if they operate a matching gift scheme. In most cases, the company will match your donation pound for pound up to a specific level.

As part of their Corporate Social Responsibility programs, many companies encourage staff to get involved in community projects, including school fairs, fireworks night, bake sales etc., by offering to match any funds raised. Involvement can often be as little as providing a cake, raffle prizes or as much as helping to run a stall.

This matched funding is a really easy way to increase our fundraising revenue and can easily add as much as £2,000 to the takings of one of our events. We have been fortunate to have parents at the school who work for companies that have match funding schemes. They have in the past raised up to £1,600 extra for the Summer Fair.

So, if you work for any of the named organisations, please ask your HR department how you can get your company to match fund a PTA event.

If you work for a company that isn't listed below, it's still worth asking the HR department if they have a match funding scheme or even if they are prepared to start doing it!

If you are able to help then please contact Wei Kelly of the PTA [weikelly76@gmail.com](mailto:weikelly76@gmail.com)

Let's get fundraising!
