Dear Parents and Carers of Orchid class,

Unfortunately, due to long the term sickness of our nursery teacher and the leading nursery teaching assistant, Mrs Battista, who previously led and managed the nursery has had to move back to Nursery.

We have made sure that the induction of all children into reception classes this year has been really successful and observations in our teaching and learning review across Orchid, Magenta and Cerise classes show that children are thriving as a result of good teaching and support. Ms Potts is a new addition to our team. She is an experienced teacher and has had an immediate impact both with the children and with new ideas to both the learning and the environment. Collaboration across all classes will continue but especially the sharing of expertise across Magenta and Orchid classes.

Mrs Battista will continue to take a keen interest in how all the children progress in this year. I hope you all have a chance to meet Ms Potts over the next few weeks.

Many thanks for your understanding and support.

Yours sincerely

Ian Hyde  
**Headteacher**
