Dear Parent(s) and Carer(s) of Year 4,

5th February 2018

RE: Y4 Rainbow Theatre South Workshop

As part of our learning journey, Year 4 will be studying 'Defenders and Raiders'. To help totally immerse the children in this exciting topic we are inviting a theatre group to run a workshop at school.

Rainbow Theatre South has over 30 years' experience delivering theatre workshops to schools and features enthusiastic and highly talented young professional actors.

The cost of organising this special additional learning experience means we need to raise enough funds to cover the expenditure.

Therefore we need your help and support in making this happen and kindly ask that parents/carers make a £5.00 donation via SIMS Agora / TRIPS by Monday 19th February 2018 and return the reply slip.

The cost is entirely voluntary, however without sufficient funding the workshop will not be able to take place.

Thank you for your continued support

Yours sincerely,

The Year 4 Team
