Dear Year 6 parents and carers,

Year 6 Yearbook

For the second year running, we are really proud to have created a yearbook for our Year 6 children. This book serves as a special souvenir of the children's time with us at Kelvin Grove. It is something that they can cherish and look back on in the days, weeks, months and years to come to remind them of their classmates, teachers, teaching assistants and all the memories that they have built here with us.

Each child has their own page and it also features some special messages from the staff to wish them well as they head on to secondary school. The children themselves have been responsible for the front cover design, the photography and for writing about themselves and their peers. We are incredibly proud of it; it is almost 100 pages long!

If you would like a copy, please return this slip **directly to your child's class teacher and pay £8 on SIMs Agora** as soon as possible please and at the **very latest by Wednesday 11th July**. If you have any difficulties using SIMs Agora, please come and speak to a member of the office who would be happy to assist you. Please note that we are printing the yearbook externally and there will only be one print run. As such, we can only print copies that are paid for. **Please also note we are unable to order copies for slips that are returned without payment.** If you have any questions, please speak to your child's class teacher. Thank you for your continued support.

Yours sincerely,

Miss Opping, Miss Sacre and Mr Tee
