Dear Parents and Carers,

I am writing to let you know about the school's evacuation to Sydenham School today.

As you may be aware a large number of schools in London and beyond received a threatening email this morning. A '999' call was made and advice was to evacuate until an all clear was given.

The school responded brilliantly. All children from Nursery up to Year 6 put their coats on quietly, quickly and without fuss. They walked sensibly supported by all staff and were re-registered at Sydenham School.

We were given the all clear at about 11.20am and I am pleased to say that the return to school was completed just as well.

I would like to assure you that the safety of your children has been of paramount importance and we have followed the advice of police and have been in close liaison with Lewisham Local Authority throughout the day.

I would like to thank all staff for their help and the calm way in which this situation was dealt with.

Although upset and angry that anybody could threaten to do harm to schools and cause such disruption, I am reassured that we have resilient children and staff who will, when asked to, rise above anything.

Yours sincerely
