Dear parent/carer of

Following their success in the first round of The National Young Mathematicians' Award at Sydenham Explore Learning, your child is through to the Regional Finals. We will be attending the centre again on Wednesday 29th November 2017.

I have attached some more examples of complex problems for children to have a practice at home.

Children will be escorted to and from Sydenham Explore learning by Miss Sacre, we will get the 202 bus to and from the centre. Children will need to wear full school uniform, bring a packed lunch and a bottle of water.

We will leave school at 11:15am and return by 2.30pm.

Please complete the following slip, to confirm you give your child permission to attend.

Thank you

Miss Sacre
Maths Subject Leader
