

Kelvin Grove Primary School

Garden Clean-Up Day

Autumn is upon us and Winter is approaching, and it is time to start putting our garden to bed, so that it can rest and be ready for our gardening activities next spring. So...

On Saturday 18th November,

between

10.00am and 3.30pm

...we will be working in the Sarah Wood Community Garden (below the Paxton Building) , clearing the weeds, covering the vegetable beds, clearing out the shed and preparing the greenhouse for the cold winter months.

There will be plenty to do, and we would welcome any parent/carer volunteers who would like to spare some time to help us.

There will be hot drinks and fancy biscuits to keep us going in the cold.

This is the difference a day's work made when we worked last time.

If you think you can spare an hour to join us, please contact Mr Murray via the office or at Magenta Class.

(It will be a working day with sharp tools and heavy digging, and so not really suitable for small children to join in.)
