

The sports hall athletics festival was hosted by Sydenham secondary school in their amazing sports hall. We welcomed a number of young leaders from Sydenham who assisted in organising the events that included javelin, basketball chest push, speed bounce, long jump and then a host of different running events.

The field events were first and it was amazing to watch all of the pupils mixing together and helping each other from the different schools.

Next up were the track events and the atmosphere was electric! Both schools were really cheering on their team and the noise was so loud.

Fairlawn just pipped Kelvin Grove by one point to take the gold medals.

Well done to both schools who represented themselves extremely well.

1st Fairlawn
2nd Kelvin Grove

KELVIN GROVE
