

Welcome to Kelvin Grove Primary School's

Gardening Club

As part of the school's after-school enrichment programme we run weekly sessions. These are informal gatherings of pupils, accompanied by their parents or carers, who meet to help prepare and tend the garden.

We provide some of the much-needed care, attention and maintenance that a garden needs, as well as harvesting and sampling the produce.

The club is as much a chance for adults to meet up and enjoy learning about gardening as it is for the children, and so we would be delighted to welcome you and your child for an hour or so on Thursday afternoons.

**To find out more, please join us for an
Introductory Session on
Thursday, September 28th,
3.30 to 4.30 p.m.**

at the **Sarah Wood Community Garden**, beyond the Paxton Building.

(If you cannot make it this week, please speak to Mr Murray in *Magenta Class*.)
