Dear Parent/Carer

Due to the changes in the School Health Service (previously known as School nursing) from the 1st of April 2017, the **Year 1 vision and hearing tests** in a few of the schools in Lewisham were not completed. We are keen to screen all the outstanding children from September 2017 when they return in **Year 2**. In order for us to complete this, we need your consent. If for any reason you **DO NOT** want your child to be screened, you can opt out by completing the information below, and returning the form to school by **Monday 25th of September 2017**. If we do not hear from you by this date, your child's vision and hearing will be tested, and the result shared with you.

I DO NOT agree for my child to be seen by the Screening & Universal team in Year 2 for vision and hearing tests.
