### **30 Hours FREE Childcare**

As you may know, from September 2017 the government is doubling the free childcare entitlement for some 3-4 year olds. All families will continue to receive 15 hours free childcare, but those who meet the government's new eligibility criteria will receive an additional 15 hours – a total of 30 hours. Some nurseries are offering before and after school clubs in addition to the 30 hours.

We would like to hear your views and explain how Kelvin Grove proposes to meet this offer. If you are unable to make one of the above meetings, you can send your views to us by completing the online survey through the following link:

**We look forward to seeing you**
