

ALUMNI

Many of our alumni come back to Warwickshire and work and live here after their studies and travels and Pete Butterworth is one of those - though he did travel a little further afield than most.

Just before Christmas some Year 10 boys undertook the 'Brave the Shave' challenge and had their heads shaved at Peter's salon Room 27.

Peter studied at Kenilworth School from 1997-2001 when his family moved abroad to Melbourne, Australia. Peter continued his studies for another 5 years and the last year he spent at the Biba Academy, Melbourne, honing his styling skills.

Peter returned to Warwickshire and worked for a well known group of salons, initially as a hair stylist and then in Evesham as a salon manager. Peter then returned to Kenilworth where he set up his own salon in February 2013 - Room 27. Peter also gave up his time to visit a Careers Fair at school to discuss his experience, business and the hair and beauty industry with interested Year 11s. The salon is flourishing and well worth a visit!
