Scoring matrix

Score	Definition
5 marks	The response demonstrates multiple examples of specific evidence that the application meets this requirement, and furthermore demonstrates additional high value and/or impact in this area
4 marks	The response demonstrates sufficient and specific evidence that the application meets this requirement, and furthermore demonstrates additional appropriate evidence beyond that required
3 marks	The response demonstrates sufficient evidence that the application meets this requirement, but may be more generic rather than specific.
2 marks	The response demonstrates some evidence, likely to be generic, that the application meets this requirement
1 marks	The response demonstrates insufficient evidence that the application meets this requirement
0 marks	The response does not demonstrate any evidence that the application meets this requirement. If any applicant scores "0" on any question, then the application should not be taken any further, e.g. stop scoring
