"Helping children to get better and better at everything they do"

Governor End of Year Report

Dear Parents/Carers,

This academic year is quickly drawing to a close. The Kenningtons Carnival last week was a great way to celebrate the end of the school year. Children and staff certainly enjoyed planning and making the costumes and taking part in the parade around the school field. We are sure parents and carers who came along saw what a good time the children were having.

Our Governors' End of Year Report is attached to this letter and a copy will also be posted on the school's website. The report details some of the monitoring work done and decisions taken by the Governing Body this year together with headline results of this summer's SATs.

Kenningtons Primary Academy is a good and successful school and the results of both the KS1 and KS2 SATs bear this out. Credit must go to all teachers and children for their hard work and efforts this year. Good SATs results do not come by accident or luck; they are the result of a culture of high academic standards achieved through a varied and exciting curriculum set within an environment to inspire children to aim for the best. The Headteacher, Mrs Sawtell-Haynes, who is very well supported by an experienced and committed senior leadership team, sets and leads this culture in school and always strives to ensure that teaching and learning improves so that your children's outcomes can be the best they possibly can be. Everyone at Kenningtons contributes to making this a successful school; the hard work and commitment of all staff, teaching and non-teaching, is recognised and very much appreciated by governors and we are sure by parents and carers.

We want to take the opportunity to thank you as parents and carers for the support you have given your children and this school. A special thank you goes out to those of you who have volunteered to come into the school this year to help, either on a regular basis or just for a one off special event.

So to conclude, we wish all Year 6 children moving on to their secondary school all the best and hope they carry on doing well and achieve their goals. We will be saying farewell, good luck and best wishes to members of staff who are moving on too. A special goodbye to Miss Brewster who will also be leaving after being with us for a number of years; she is moving on to take up a deputy headship and we wish her luck in her new role. We hope you all enjoy the summer break and we look forward to seeing you again in September for another busy and successful year at Kenningtons Primary Academy.

Yours sincerely,

Sarah Sayers

Chair of Governors

On behalf of the Governing Body
