Class Photographs 2017

Thank you to all parents who responded to our survey (advertised in our previous three newsletters) to decide how class photographs would be taken this year. A **majority of 82.6%** voted for the option "Class photographs taken by a member of staff and emailed to parents and guardians free of charge" so this is how we will be arranging class photographs this term.

We are currently in the process of contracting a new photography company to take our individual pupil photographs in 2018.
