The Safeguarding Spot: CEOP Jigsaw Video
(Suitable for Ages 8 - 10)

The Child Exploitation and Online Protection Centre, CEOP, have produced a short film called 'Jigsaw'. This film is suitable for KS2 Primary School children (8 - 10 years old).

<https://www.youtube.com/watch?v=5991E-rWTU>

The film helps children to understand what constitutes personal information and enables children to understand that they need to be just as protective of their personal information online, as they are in the real world. It also directs where to go and what to do if children are worried about any of the issues covered.

Parents may wish to watch the video themselves first, and then share with their children (8 - 10 years old) to help them keep themselves safe online.

Changes to the School Calendar for 2018/2019

From July to August 2017 we held a consultation regarding proposed changes to the structure of the school term and holiday dates for the 2018/2019 academic year.

The response from the consultation was 8 persons 'for' the change and 1 person 'against'.

In our recent Governing Body Meeting the Governors voted to proceed with the proposed changes to the school calendar for 2018/2019. The changes mean that the October half-term holiday in 2018 will now be two weeks long.

The new calendar for 2018/2019 can be viewed to the left, or accessed on our school website.
