Do not ride bicycles or scooters on the school grounds

PE kit for Kenningtons Primary Academy is as follows:

Black slip-on plimsolls, blue shorts or black shorts and a plain white T-shirt. PE kit should be kept in a drawstring bag. **All pupils are expected to have PE kit in school.** This should be left in lockers or on coat pegs unless being taken home to wash. Please also note that because of health and safety regulations, we do not allow any jewellery to be worn in school. The exception to this is a wristwatch and a small pair of studs, which should be practical to wear and not a fashion item.

Please ensure children have proper PE kit with them for after school clubs as they will not be able to participate without it.

Helping children to get better and better at everything they do

BE SUN SMART

Put on Sunscreen

Wear a Hat

Wear Sunglasses

Stay in the Shade

**SHARE THE SUN SAFE STORY
WITH YOUR CHILD**

The Health Spot: Sun Safety

For the first time in a while we are seeing some nice bright sunshine!

We want children to be able to enjoy themselves in the sun, and to do this they need the right tools!

In the mornings please consider putting on sunscreen and/or bringing a bottle to school for your child to use (clearly marked with child's name and given to class teacher). Children can wear hats and/or sunglasses to protect themselves from the sun while outside.

All children should have a water bottle with them during the day and can drink from the drinking fountains during break times.

Staff will encourage children to make use of the shade of trees on site and to take time out to rest when it is especially hot or sunny!

Dinner Money and Breakfast Club

As we draw near the end of term please take a moment to check that outstanding dinner money and breakfast club debts are settled on ParentMail.

If you are having difficulty accessing the new ParentMail PMX system please contact the school office for advice as soon as possible!
