4G - Tuesday 25th November

3C - Tuesday 25th November

2G - Thursday 27th November

1R - Tuesday 25th November

Reception (Miss Bannon & Miss Kiely) - Tuesday 25th November

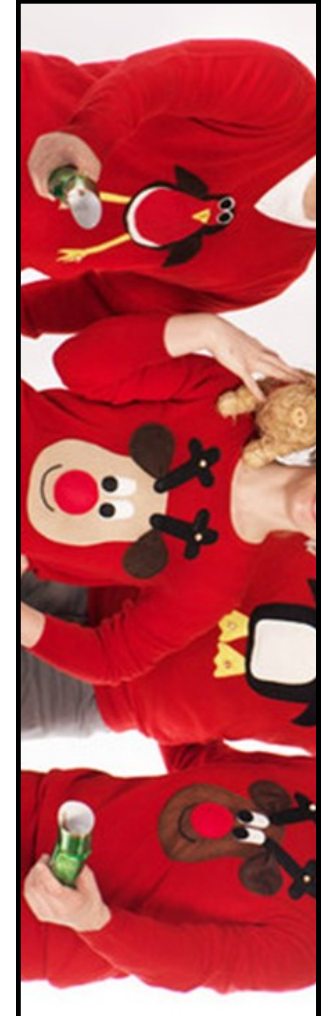

Meetings with the 6R, 5N, 4S, 3H, 2F and 1W class teachers will resume the week beginning 1st December 2014.

Keep those second-hand children's CHRISTMAS JUMPER donations coming in!

Donated jumpers will be offered for sale to parents at the price of £1 during our Jumper Jumble **Monday 8th December 2014** - with all proceeds going to the Save the Children Christmas Jumper Day charity appeal. This will be a great way to increase our contribution to the charity and to put Christmas jumpers that no longer fit to good use!

Any Christmas jumpers you would like to donate are to be brought to the school office by Friday 5th December 2014. Please ensure that donated jumpers have been washed and are in good condition.

Thank you!

KS2 Weekly Challenges

This year we will have weekly English and Maths challenges for KS2 children to enter!

Outside the kitchen in the KS2 block a challenge board has been set up. Every Monday there will be a different English and Maths challenge for the children to take on. Please do encourage children to enter the weekly challenges.

Children can enter each challenge once in the week. They have to write their full name AND class on a scrap piece of paper with the FULL answer as required. Entries can be posted in the two plastic boxes outside the 5M classroom - they are clearly labelled 'English' and 'Maths'.

On a Friday, the first correct answer that is drawn from each box, wins a prize! Winners will be announced on a Friday during assembly.

Thank you to all the children who have entered our FIRST EVER challenge! Well done to this week's winners for correctly answering the English and Mathematics challenges:

English - Cherion 5N
Mathematics - Tommy 4G

Please check the **'KS2 Weekly Challenge'** page on our school website each week for new challenges!

The Health Spot - Watching the salt

To stay healthy, our goal should be to eat no more than 6g of salt a day for adults– that's around a teaspoonful, which isn't very much at all. We need to watch the salt – both how much we add to food and how much is in the foods that we buy.

It's not just adults that need to watch the salt – we need to keep an eye on salt intake for children too. Children under age 11 should be eating less salt than you – that's even less than one teaspoon!

Recommended maximum amounts of salt for children from Change4Life:

- Kids aged one to three: 2g salt a day (0.8g sodium)
- Kids aged four to six: 3g salt a day (1.2g sodium)
- Kids aged seven to 10: 5g salt a day (2g sodium)
- Kids aged 11 and over: 6g salt a day (2.4g sodium)

Visit Change4Life (<http://www.nhs.uk/change4life/Pages/change-for-life.aspx>) for more tips on healthy eating.
