Mobile Phones In School

Pupils are **not permitted** to have mobile phones with them during school hours.

If you feel that your child needs their mobile phone in exceptional circumstances, the phone must be **given in to the school office at the beginning of the school day** and collected at the end of the school day. The school office must be notified.

Please note the school takes no responsibility for the loss or damage of mobile phones brought onto the school site.

Waiting and Parking

All parents are reminded of the need to be considerate to others while using the roads around the school. Please ensure that you do not inconvenience local residents or other parents by the location in which you choose to park your car. Be safe and be legal!

The Highway Code sets out rules for waiting and parking. The website below picks out the specific sections related to waiting and parking for your reference:

<https://www.gov.uk/guidance/the-highway-code/waiting-and-parking-238-to-252>

(Updated 02/10/15)

We do our best to continuously reinforce this message. Local residents and parents are advised to contact Thurrock Council with any complaints regarding inconsiderate or dangerous driving and parking behaviour; the school does not have jurisdiction over surrounding roads.
