Our school has policies in place to ensure our children are learning in a safe and secure environment which includes being safe online. It is important to us that safe practice is followed both at school and in the home. We have booked a session with an expert to contribute to the process of helping your child to be aware of the potential risks associated with using the internet and modern technologies. If you would like to attend please consent via parentmail.

Session 1: 2pm-3pm

Session 2: 5.30 –6:30pm

Medication

If your child has hayfever could you please ensure that they have had their medication before school.

If they need further medication during the day please come to the school office to fill out a medication form so it can be administered during the day

Headlice

We have had a few cases of headlice.

Please can you check your child's hair regularly.

If you are treating your child for headlice they do not need to be absent from school.

• * * * VERY IMPORTANT * * *

PE kits must be in school every day.

It is essential that all pupils have a P.E kit in school at all times. Many pupils are missing this part of the curriculum as they do not have the correct kit.

Please ensure your child has plain dark shorts / plain tshirt / black plimsoles.

Tissues

It is year 5's turn to bring in boxes of tissues for the month of May. Thank you it really does help.

Year 6 Free Breakfast

Please consent via parentmail for your child to come for their free breakfast from Monday 12th May to Thursday 15th May. Children need to arrive for 8.15am and no earlier.
