

Useful Apprenticeship Websites

Listed below are the websites of organisations who recruit most local apprentices and where vacancies are advertised. However, this is not an exhaustive list and other companies may recruit through their own website; always check for an apprenticeship link.

National Apprenticeships website

www.apprenticeships.gov.uk

Many national and local companies recruit through this website. **You should register so that you can search and apply for vacancies.** You can also choose to be alerted about vacancies. Go to: www.findapprenticeship.service.gov.uk to search for vacancies within travelling distance of your postcode.

They recruit **Engineering, Business Administration, Customer service** including Higher Level and Degree apprentices for some of the larger companies in West Cumbria.

www.gen2.ac.uk

The following companies train their apprentices through Gen 2 so you have to apply through Gen 2's portal. However, interested applicants should also contact them direct with a CV.
