

Careers@Keswick: Thursday 7th February 2019

Year 9 Careers Day

On Tuesday 12th March, all Year 9 students will be off timetable to take part in their annual careers day, prior to them making their important GCSE option choices.

The students will experience 6 different sessions including Meet the Employers, researching their careers options, making decisions, the options process, raising aspirations, employability skills, and presentation skills.

Can you help?

Our Meet the Employers session in the Queen's Hall will be run slightly differently this year. We need a **diverse** range of employers. In ones and twos, students will get to meet a variety of employers on a speed-dating type experience and ask lots of questions about the what the job entails.

If you have half a day (8.45 – 12.30pm /1.30pm – 3.30pm) or even the whole day free, and would like to share your career pathway, job role and experiences with our students, Mrs Avery would love to hear from you.

Please email careers@keswick.cumbria.sch.uk outlining:

1. who you are
2. the sector and/or company/business in which you work
3. the sorts of things you could talk about
4. whether half day (am/pm) or full day would suit

We may not be able to utilise everyone on the day, but I will certainly add you to our Careers Contact database.

Here at Keswick School we offer a wide range of careers information, advice and guidance, throughout the year to all year groups and if we can't use you on the 12th, we should certainly be able to use you on another occasion.

Medicine and Law (Years 10 – 13)

Just a reminder of the following portals for any student interested in medicine or law.

The Medic Portal supports those interested in a career in medicine, and *The Lawyer Portal* supports students who are interested in legal careers.

Both organisations work in partnership with their respective governing bodies - the law society of England and Wales and the Royal Society of Medicine and offer all sorts of resources, information, advice and guidance on the pathways to those careers

Work Experience Opportunities (Years 10 – 13)

Airbus Work Experience opportunities in 2019 are 4 days in duration, targeted to students aged 14-19.

How to apply:

Please email a CV and a covering letter to workexperience@airbus.com . Please put in the email title Airbus WEX Broughton or Airbus WEX Filton along with your preferred dates.

Applications are open until Friday 1st March 2019. Successful applicants will be notified after these closing dates.

Dates in 2019 are:

17th June – 20th June (Filton, Bristol and Broughton, North Wales)

1st July – 4th July (Filton, and Broughton)
15th July – 18th July (Filton and Broughton)

Safran Landing Systems are also offering work experience placements:

24 - 28 June 2019
8-12 July 2019

Discover Health Taster Days at Teesside University (Years 12 and 13)

Teesside University's Discover Health sessions are ideal for **Year 12s and 13s** interested in courses and careers in the health professions.

- Nursing and Midwifery
- Emergency and Diagnostic Care
- Sport and Exercise
- Therapies and Rehabilitation

Remember that days such as these are very useful for hands-on real life experience of these subjects so you can see if they are for you. In addition, they are fantastic experiences to add to your personal statements.

They may be able to help with travel costs if you're travelling from outside of the Tees Valley.

All events are 10.15am - 3.30pm.

Local Open Evenings (Years 11, 12 and 13)

Gen2 and Kendal College have another open evening tonight (Thursday February 7th)
