Local Information

The area surrounding King Edward's recently came top of a survey to find the most desirable place to live in the UK. On our doorstep is beautiful countryside as well as the attractive market towns of Godalming, Guildford and Haslemere, where there is shopping and eating aplenty, as well as a selection of theatres and museums. And, of course, London is less than an hour away by train.

Below are some suggested local services when visiting the area. Further information may be found on our website, www.kesw.org, under Admissions/Visit Us.
