

KINGSBRIDGE EDUCATIONAL TRUST
GENDER PAY GAP REPORT – MARCH 2018

Kingsbridge Educational Trust are committed to ensuring that the gender pay gap continues to close and every effort is made when recruiting for posts that careful consideration is given to reducing the gender pay gap. Staffing is very fluid within the educational environment and a large percentage (79.88%) of the workforce are female, many of whom are employed in term time only positions.

Bonus payments are not a usual feature within the organisation with the payments during the period relating to specific one-off events during the year within which the reference date fell.
