

## Pupil Premium

Each year the school receives Pupil Premium funding. This is a sum of money that reflects the number of children in school who, statistics would suggest, might benefit from additional support to enable them to achieve their full potential.

The main barriers to educational achievement faced by our eligible children are: identified special educational needs; emotional and behavioural barriers; and poor attendance. The support to be provided by the funding is listed below. We target the pastoral and social needs of the children as well as a sharp focus on English and maths. These are the skills which provide support across the whole curriculum. We track the academic progress of all children in receipt of Pupil Premium funding, and take into account the support they have been given in order to measure the success of particular strategies.

We review our Pupil Premium strategy annually in July.

<b>Looked After Children</b>	2,414	2,142	272
<b>Total</b>	<b>182,313</b>	<b>175,597</b>	<b>6,716</b>

Expenditure for 2014/15 is shown below.

<b>PUPIL PREMIUM 2014/15</b>	<b>£</b>
<b>Increased provision for children with special educational needs</b>	<b>9,101</b>
<b>Learning Mentor support for individual children</b>	<b>25,447</b>
<b>Additional teaching support for Year 5/6 pupils</b>	<b>56,413</b>
<b>Teaching assistant support in lessons and intervention in maths and literacy (Year 1-6)</b>	<b>34,372</b>
<b>1:1 teacher support for reading</b>	<b>34,634</b>
<b>Promoting better attendance</b>	<b>8,062</b>
<b>Teaching and Learning professional development</b>	<b>7,566</b>
<b>TOTAL</b>	<b>175,597</b>

In the academic year from 2014 to 2015, the progress made by children across the school (the value added) was significantly above the national average for all groups of children, including those children in receipt of Pupil Premium.

At the end of KS2, children in receipt of Pupil Premium attained at the same level or higher in reading, writing, spelling, punctuation and grammar as those who were not in receipt of this premium. Children in receipt of Pupil Premium were behind those who were not in receipt of this premium in attainment in maths, although the gap between expected progress for these two groups had closed.

Children in receipt of Pupil Premium made significant progress across KS2. The end of KS2 data in 2015 demonstrated a 'closing of the gap'.

## **2013/14**

In 2013/14 the school received £953 for each child eligible for Pupil Premium, and £300 for each Looked After Child and child whose parents are in the Services. The school received **£113,555** in total and continued with the successful approach adopted in 2012/13. In addition the school

- employed an Attendance and Welfare Officer to promote better attendance leading to greater learning opportunities,
- provided one-to-one teaching support to boost reading skills,
- increased provision for children with special educational needs and
- appointed two Learning Mentors to support individual children across the school.

The Governing Body of the school continues to monitor how the pupil premium is spent and consider further ways to improve provision.

The table below summarises how allocation was spent in 2013/14:

<b>PUPIL PREMIUM 2013/14</b>	<b>£</b>
<b>Increased provision for children with special educational needs</b>	<b>6,000</b>
<b>Learning Mentor support for individual children</b>	<b>10,890</b>
<b>Additional teaching support for Year 6 pupils</b>	<b>8,500</b>
<b>Teaching assistant support in lessons (Year 1-6)</b>	<b>37,896</b>
<b>Intervention in maths, literacy and phonics</b>	<b>27,300</b>
<b>1:1 teacher support for reading</b>	<b>10,160</b>
<b>Promoting better attendance</b>	<b>3,580</b>
<b>Providing resources and activities</b>	<b>160</b>
<b>TOTAL</b>	<b>104,486</b>

The remaining £9,069 has been carried forward to be spent in the summer term 2014.

In 2013, on average, the children at Kirton Primary School, who are in receipt of Pupil Premium, made greater progress than the nationally expected rate of progress. On average children are expected to progress by 3 levels each year. Across the school our children in receipt of Pupil Premium Funding achieved 3.35 levels for reading, 3.16 for writing and 3.32 for maths.

## 2012/13

In 2012/13 Kirton Primary School received a Pupil Premium Grant of **£67,170**.

Kirton used the grant in the following ways:

- targeting children who may have become disengaged with their learning by enhancing the curriculum for example, by providing multi-media equipment and supplementing trips, visitors and activities throughout the year (**£21,000**)
- by providing additional support to narrow the gap, for example Easter School, one-to-one tuition, literacy and numeracy intervention, and the acquisition of learning materials for specific needs (**£39,000**)
- through Early Years intervention, for example through intervention to support the acquisition of language and intensive phonic programmes. (**£7,000**)

In 2012 on average the children at Kirton Primary School who are in receipt of Pupil Premium made greater progress than the nationally expected rate of progress. On average children are expected to progress by 3 levels each year. Across the school our children achieved 4.6 levels for reading, 4.5 for writing and 4.4 for maths.

In March 2013 the school received congratulations from the Deputy Prime Minister, Nick Clegg, for the level of improvement it have achieved. The school is among the top performing schools in England for improving the performance of disadvantaged pupils since the Pupil Premium was introduced.

As a result the school entered for the Pupil Premium Awards 2013 and was given a special commendation for being one of the best schools in the East Midlands. Copies of the letters from the Deputy Prime Minister are attached.
