

Tree House Club

@_TreeHouseClub_

With Christmas just around the corner, let's take a look at the busy few weeks we've had.

We have started our 'Around the World' theme (to replace the much loved National Days!). We explore a different place each week through art, sport, food, dance, language and much more. We have already done some African weaving, made delicious pasta sauce for Italy and most recently have learned some Chinese words and tried many exotic fruits!

Plea for Donations

Thank you for all the kind donations of toys over the last few weeks. The children really appreciate the new toys. If you need to make space for new toys Santa might be bringing please consider us!

Thursday Afternoons

Thursday afternoons up until January are taking place in the Smedley Hall. We have been lucky enough to book a trained dancer to provide dance/sign language workshops but **please be aware this means the children's snack time is at the later time of 4:30pm.**

The children have been getting into the winter spirit by building a milk-bottle igloo- let's hope it's ready in time for the Christmas Fair!

We are delighted to announce that Mrs Millington has joined our morning team. Welcome!

Inset Days

What a busy, slimy, explosive, two days the October inset day sessions were! We carried out countless science experiments and learned many scientific concepts whilst having great fun.

If you would like to book on to our next inset day session on 03/01/18 or would like further information please email Mr Dopson on g.dopson@lawn.derby.sch.uk

This means we can increase our morning capacity so please see Mr Dopson to book sessions before they fill up again!

Polite Reminders

- **Please ensure your child is signed in/out of every session!**
- Please make sure you shut the gate when you enter/leave the school
- Remember snack time on a Thursday afternoon is 4:30pm
