Minutes of last meeting and matters arising:

Caleb asked if the minutes were an accurate record of our last meeting, all the children agreed and the minutes were signed

Caleb explained that this meeting would focus on team points and the house system.

Do children in your class like collecting team points?

- All of the children in Year 1, 2 and 3 said yes in all of the classes.
- In Year 4 some children don't care about collecting team points. Those who don't said that they don't see any benefit in collecting them.
- In Year 5 very few children actually put their team points into their team's pots. They said that they didn't feel like part of a team.
- Year 6s agreed with the Year 4s and 5s. They wanted the team captains to be more excited about the total points too.

What improvements would you like to make to the houses and teampoint system?

- People want to change the teampoint house names. Griffindor, Hufflepuff ect ect. Harry Potter names.
- People should remember to put their teampoints in. We need to think of something to help this.

- We should be rewarded when we win the teampoint cup. The cup doesn't benefit us that much.
- Get to know younger people in our house colour by doing activities together.

Any Other Business:

- Tell the sports council that we need to do something with active travel as people aren't changing their registration each day.
- When are we getting the MUGA? Caleb and Luke will go and ask for an update.
- Everyone is forgetting to do their corridor duties. Caleb and Luke to speak to Mr Archer about this.
- Fix trimtrail? Caleb and Luke will go to ask Mrs Allison.
