

Catch-Up Premium 2014-2015
£14,000

The Year 7 Literacy and Numeracy Catch-up Premium is funding given to schools from the government additional to the main funding stream which is allocated to supporting those students who did not achieve a National Curriculum Level 4 at the end of Key Stage 2 in either Mathematics, English reading or both. Schools are free to spend the Catch-Up Premium as they see fit, within specific parameters, to fund strategies to close the attainment gap between those students and their peers. Unlike Pupil Premium, the Catch-Up Premium is only awarded to students in Year 7.
