Dear Colleague,

Thank you for enquiring about the vacancy for the post of Teacher of Music and Drama at Litherland High School.

One of my roles as Principal of Litherland High School is to ensure that the pupils receive a first class education, and that the staff delivering it are supported, empowered and developed professionally to deliver it.

Just as every parent wants a good school for their child and every child deserves one; every member of staff wants to work in a good school, and that is what we are. We have delightful students, outstanding facilities and an extremely bright future.

Our core purpose is ‘Success for All’ and we work diligently to achieve it through our school community values of Kindness, Respect and Living without harm, to:

- Raise standards by focusing on developing high-quality learning and teaching.
- Celebrate comprehensive values and a student-centred approach, within an equitable and inclusive school so that we meet the needs of our school community.

I believe that youngsters have an innate love of learning and their enthusiasm is ours to nurture and develop. Our job is to engage, enthuse and inspire to create an environment where ordinary people can achieve extraordinary things.

You will be joining the school at a really exciting stage in our development. There is a genuine sense of optimism throughout our wider school community.
