## Kudos Package

<https://kudos.cascaid.co.uk/#/>

Litherland High School has invested in careers resources for the schools and have purchased a software package called 'Kudos' from CASCAiD which is the leading producer of careers information and guidance solutions.

Kudos will be used as part of PSHE and tutor lessons and is a unique careers matching and information program which helps young people plan their future. It should help students explore their own career ideas and discover their suitability. Kudos will generate a personalised list of career suggestions based on questions that students answer on their likes and dislikes. Students are issued with their own password at the beginning of the academic year.
