

November 2017

Dear Parent/Guardian

In order to help support your son/daughter through the new GCSE science course, the Science Department within Litherland High School will be offering students the opportunity to purchase Student Textbooks at a discounted rate.

The in-depth books cover every topic from Grade 9-1 for the AQA Trilogy GCSE combined Science scheme. They have detailed yet concise notes supported by clear diagrams, photographs, exam tips and worked examples. Additionally the books also contain practice questions and exam-style questions throughout, with detailed answers available at the back.

Further information regarding additional areas of the specification such as required practicals, maths skills and Working Scientifically skills, are also included within each subject book.

Prices for the books are:

Biology Combined Student Textbook - £6.50 (Retail price usually: £12.99)

Chemistry Combined Student Textbook - £6.50 (Retail price usually: £12.99)

Physics Combined Student Textbook - £6.50 (Retail price usually: £12.99)

We hope these books will help guide students with their revision and independent learning at home, ensuring they have the skills and knowledge required to succeed when it comes to their exams.

Should you wish to purchase these textbooks for your son/daughter, please return payment to me by Friday 17th November 2017.

With Regards,

Mr K Barrett
Head of Science

Please indicate below which book(s) you would like to purchase and return the order form with full payment for the book(s) by Friday 17th November 2017.

Student Name: _____

Textbook(s): _____
