7th September 2018

Dear Parent/Carer,

I would like to take this opportunity to welcome our Year 7 students and their families to our school, as well as welcoming back the rest of our school community.

The summer holidays flew by and a new academic year starts in earnest. Over the summer our Year 11 students received their GCSE examination results and how proud we are of them - so many success stories. We wish all the luck in the world to the 'Class of 2018' who now venture into further education or employment with the grades that they need. I am happy to report that the school's results are in line or exceed national statistics. A fantastic outcome for all.

As every year, Litherland High moves forward and there are exciting times ahead. This term we have Channel 4 filming a documentary programme in our school entitled 'Student Support Worker' (**please see attached letter**) and we are all looking forward to showcasing our fantastic school. Needless to say, if you have any questions regarding the filming you can contact the school, as well as the production company, through the usual channels.

Within school there are a few subtle changes to our daily routines, one of them being that the students now have a planner as well as the school app to record homework, notes and important dates for their diaries. Students are expected to have the planner on them at all times during the school day and it is now part of the basic equipment list (which is an expectation). If a student loses their planner they will need to buy a replacement at a cost of £1.00.

We are increasing the capacity of our school app to begin to send more messages to you, so if you have not downloaded this yet, can you please do so. Go to the App/Play Store, search for MyEd and download the app. If you require further information please visit our website.

Upcoming dates for your diary are:

Wednesday 26 th September	School Open Evening for Years 4/5/6
Tuesday 2 nd October	Year 11 Information Evening
Wednesday 3 rd October	Year 10 Information Evening
Tuesday 16 th October	Year 9 Information Evening
Wednesday 17 th October	Year 7 and 8 Information Evening

We are looking forward to another positive year here at Litherland High and building on our improving successes both inside and outside of the classroom and would like to thank you for your continued support.

Yours faithfully

Mr R. Rogers
Principal

Enclosure
