3rd April 2019

Dear Parent/Carer

The Public Health Institute, Liverpool John Moore’s University (LJMU) has been commissioned by Sefton Council to undertake a Sefton-wide study exploring mental wellbeing and resilience among primary and secondary school students and staff. The results from this study will be used by Sefton Council to identify areas of need and inform prevention and intervention strategies.

We have agreed to participate in this study, which will be conducted between 22nd March - 3rd May 2019. This study will involve a short questionnaire which will be completed online in the classroom during school hours. **All responses to the questionnaire will be anonymous and treated as confidential and the school and your child will not be named in any of the research findings.**

If you would like more information on the study please follow the link below:

Yours faithfully

Mr R. Rogers
Principal
