8th June 2018

“Plans are well in hand for this year’s Horticultural and Craft Show which will be held Saturday 8th September 2018 at Cox Green Community Centre. This annual event is organised by volunteers from Cox Green Community Association with the aim of putting on a village show so that everyone can enter and get together as a community to display their skills.

There is no charge for entries in the Junior Section, for age groups 7 and under and 8-14years, which has a wide variety of classes including vegetables, flowers, handicrafts, cooking, art and photography

Schedules are available on the Cox Green Centre website, at coxgreenhortshow@yahoo.com or from Cox Green Community Centre.”
