Dear Parents

Residential Trip to Calshot Activities Centre

Students in Handler and Shakespeare Classes have the opportunity to attend a trial residential trip at Calshot Activities Centre in Southampton next May. The students will be working towards a scheme of works to build and develop the independence skills required to manage themselves for 4 days away from their parents/carers.

Students will participate in a range of activities including kayaking, abseiling, cycling in a velodrome, marine studies and independent life skills. Students will engage in a variety of team building and social activities to promote their communication skills in a range of contexts. They will sleep in dormitories with 2-4 students per room. Three meals a day and snacks will all be provided by the activities centre. Appropriate ratios of school staff will travel with the students; all on site activities will be staffed by fully trained staff employed by the Activity Centre. MGS staff will be with students at all times and will be on duty during the nights to support any students who may feel homesick.

All of the above will be included in the costs below, payment options are available to those who wish to spread the cost over the year.

Date: Depart - Monday 13th May 2019

Return - Thursday 16th May 2019

Cost: £328 per student which can be paid in full or in instalments.
