

11 July 2018

Dear Parents / Carers

A student in Early Years has gone home today as they have chicken pox.

You may wish to seek medical advice by calling NHS 111 or your GP if:

- You are an adult and have chickenpox
- You are pregnant and have not had chickenpox before but have been near someone with it
- you have a weakened immune system and have been near someone with chickenpox
- you think your newborn baby has chickenpox

More information can be found at: <https://www.nhs.uk/conditions/chickenpox/>

Yours sincerely

Sharon Glover
