

24 January 2018

Dear Parents/Carers,

On Wednesday 31 January, we will be going out into the community as part of our Geography topic, mapping our school and local area. We will be walking to White Waltham Airfield, using a local area map. This is a whole of cluster trip and students will be working with students from different classes.

As the weather is currently cold, we would like to request that students are dressed appropriately with a warm coat and suitable outdoor shoes (they can bring wellies).

We will be leaving school in the morning and returning back before lunch. Please can students bring a drink and snack with them to have while offsite.

Yours faithfully

Isla O'Reilly
