Dear Parents/Carers

We are writing to inform you that next term we are running a Relationships and Sex Education course for all pupils in Middle and Upper School. Every school has a statutory responsibility to provide Relationships and Sex Education. In addition, many of our parents state that talking about such issues with their children can be challenging.

We have prepared a series of lessons which we hope will develop our students' knowledge, understanding and attitudes. We will be careful to ensure that the content of the course delivered to your child is appropriate to both their needs and age.

All children will learn about the physical and emotional changes that occur during adolescence as well as the different types of relationships that exist.

If you have any concerns, wish to withdraw your child from the programme, or would like a copy of our Sex and Relationships Policy, please feel free to contact the school.

Yours sincerely

Viktoria Kincses
Head of Towards Independence and Independence
