

**Hello again!**

**We are looking for our last few families and households to take part in the fourth series of Shop Well For Less?**

My reason for writing is that we are currently on the **lookout for families and households** who would like to **save some money on their monthly spend**. We would love it if you would be willing to send the opportunity out to **parents and staff at your school**.

*This prime time series shows viewers how to spend without the splurge, helping to rein in spending but retain the lifestyle we all want. With a few simple tricks, we can all learn to buy better and spend less. When should you save your money? And, just as crucially, when should you invest in spending a little bit more? This fun, surprising and perfectly practical series teaches us all the tricks of the trade we need to SHOP WELL... FOR LESS.*

**Smart spending** is an issue which we believe affects most of us and we'd be really grateful if you could help us **spread the word** about the new series.

We would be more than happy to send out some flyers and posters if you'd be willing to display these somewhere at the school.

Thanks so much, we would really appreciate your help. If you have any questions please do contact the office on the details below.

Kind regards,

The Shop Well For Less Team
