

Centre Algarve

Specially designed for people with Special Needs or Disabilities and their families or carers

Dear Sir/Madam

May we take a minute of your time, so we can introduce ourselves and the unique facility we have to offer you known as, The Centre Algarve. Our holiday complex was designed with one purpose in mind, to enable special needs and disabled families or groups a safe haven to experience a magical holiday in the sunny Algarve Portugal.

We have enclosed some promotional leaflets which we ask if you could kindly distribute to the families who attend your facility so they can be made aware of our unique holiday complex. If you need more leaflets than enclosed, then please call Lisa or Olivia on 01371 879176 who will gladly send you some more.

We have 8 bedrooms that can accommodate 4 guests in each, 4 bedrooms that can accommodate 2 guests in each and 2 bedrooms that can accommodate 3 guests in each. You can also benefit from using our guest's kitchen and dining area to prepare snacks and light meals for your group to help keep your costs to a minimum.

We can discuss with you, your groups requirements prior to your trip and have everything in place ready for your arrival. Transfers and trips can be organised using our expertise with these matters and we are here to ensure your holiday is hassle free from start to finish.

We suggest that groups over 24 people reserve the whole holiday complex giving you exclusive use of the whole facility and our team. **We can offer some very special deals for this option** during certain weeks of the year.
