With grateful thanks to all our funders - for a full list please see our website

Who we are

We are a volunteer led charity passionate about bringing theatre to children with special needs and their families. We offer a 'tutt free' zone where children and their families can relax and have fun.

Our tour travels across London and the South East so hopefully there will be a performance nearby that you can attend. Please check overleaf for upcoming tour dates and have a look at our website to find out more about what we do.

## Volunteer Call Out

We are looking for volunteer event hosts to help us on our tour. You may have experience working with children with special needs or have a love of the theatre - neither are essential. All you need is a willingness to get involved and help everyone to have fun. Ideally you will be available to help for the 2 day tour in your area albeit we would welcome you to help on more days if available. Expenses will be covered.

If you can't help on tour days but would still like to get involved either by volunteering or fundraising for an event in your area please give Anni a call for a chat (details overleaf).
