

1 March 2019

Dear Parents/Carers

On Wednesday 6 March, 9:30-15:00, some students from Penguin cluster will be visiting the Thames Water Works in Slough, and learning about the way our waste and water systems work. This has been organised by a company called Enabling Enterprise. Students are required to make reflections of their experience, discuss and pass comments on their enjoyment of the trip, as well as using the core enterprise communication skills.

We will arrive back into school before transport arrives to take the students home. Please could you send a packed lunch or let us know to order a school lunch. The admission for this trip is free for educational purposes, so we will not need a voluntary contribution.

If you have any further questions or require more information please do not hesitate to contact me on:

Rosina.palmieri@manorgreenschool.co.uk

Yours faithfully

Rosina Mitchell
Andersen Class Teacher
