Dear Parents/Carers

Apple Store Trip – 7 February 2019

In Tolkien Class over the past two terms we have been learning about and planning and designing our own apps. We are planning a trip to the Apple Store in Reading on the 7 February to learn more about apps and also prototype an app in store, with the help of the technical support there.

Our session at the Apple Store starts at 10am and lasts for approximately 90 minutes. We are then planning to go for lunch at Cosmos, an international buffet restaurant with a range of cuisines. This will cost £8.50 per child, plus a drink if they would like one. We are suggesting sending in a voluntary contribution of £10 to cover their meal and drink. Pupils will be able to arrive on transport as normal and will be back at school in time to return home on transport.

Please can your child wear school uniform on the day to support us with ensuring we can easily recognise them. If you have any further questions either by email me on claire.rogers@manorgreenschool.co.uk or call the school office extension 7004.

Yours faithfully

Claire Rogers
Tolkien Class Teacher

I am happy for my child _____ to attend the Apple Store trip and will/will not (please delete as appropriate) be sending in a voluntary contribution of £10 for their lunch.

Signed (parent/carers) _____
