### **Potential transitions for Year 11 to 13 students**

Dear Parent/Carers

We have now reached the point in the academic year where we need to start planning for the students that will be leaving us as the end of this academic year to move on to new education or adult care settings.

For the vast majority of you, I imagine that you will want your child to remain at Manor Green School until they finish Year 14. However, each year we do have a handful of students who leave us before the end of Year 14, usually to move on to one of our local colleges. These moves will always be discussed and agreed in your child's annual review.

Previously, I have held information sessions for parents to look at what is available with regards to further education, employment opportunities and services via Adult Care; however, on reflection, this is a large area to cover and, moving forward, I feel that it is best to discuss this in person with parents/carers individually.

If you have thoughts about your child leaving this year, or would like information further information, please do not hesitate to contact me and we can either have a discussion over the phone, or book a time to meet. My contact details are 01628 513800 extension 2000 or [warren.griffiths@manorgreenschool.co.uk](mailto:warren.griffiths@manorgreenschool.co.uk)

Yours sincerely

Warren Griffiths  
Head of Wellbeing, Safeguarding and Transitions Lead  
Manor Green School.
